Adult Handbuilding - Spring 2019

Hand-building pottery using slabs of clay is an exciting way to create shapes that cannot be produced using a potter's wheel. During this class led by Brittany Polzine, students will learn how to construct trays, lidded boxes and other sculptural vessels using slab building techniques.

Throughout this 5 session course students will plan the construction of 2 or more finished pieces. Optional studio time will also be available for students who wish to catch up on a missed class or simply to make more pots!

Beginners welcome!

Time: 4-7pm

Optional Studio Time: May 6, 6-9pm
